Service Projects

April: Support Sarah's House Maternity Home with ingathering gifts at the Spring Celebration

April Activity

We'll be using an LWML reflective tool called "What's Your Why" to help us. As we build relationships with other women, it is essential to make connections by finding common interests and shared experiences. What is your personal LWML story? When you identify your "why" for being a Lutheran Woman in Mission, you can share that with others.
